- 01 High-sheen chromed door handle recesses
- 02 Running boards with aluminium finish
- 03 48.3 cm (19-inch) 5-spoke wheel

A strong character

Your GLK is a car that leaves a lasting impression. Our wide selection of new-design light-alloy wheels and expressive styling accessories allow you to put your own individual stamp on the GLK.

Because of differences in national regulations, various different versions of each vehicle exist. Please also bear in mind that vehicle development is permanently ongoing. As a result, not all of the wheel/tyre combinations shown in this brochure will be approved for your particular Mercedes-Benz. Your Mercedes-Benz dealer has access to constantly updated information on every Mercedes-Benz wheel, including the relevant technical inspection findings and licensing conditions, and will be happy to advise you.

Mercedes-Benz light-alloy wheels are supplied without tyres, hub caps, valve caps or wheel bolts. To help prevent theft, we recommend the use of Mercedes-Benz rim locks

01 Bigawa | 5-twin-spoke wheel

Finish: black, high-sheen

Wheel: 8.5 J x 20 ET 45

Tyre: 235/45 R20*

02 Bigawa | 5-twin-spoke wheel

Finish: titanium silver, high-sheen

Wheel: 8.5 J x 20 ET 45

Tyre: 235/45 R20*

A204 401 6202 7X07

Option for rear axle:

Wheel: 9.5 J x 20 ET 57

Tyre: 255/40 R20*

A204 401 6302 7X07

* Not compatible with snow chains

The long road to perfection

Mercedes-Benz light-alloy wheels not only boost your vehicle's looks, they also offer the ultimate in safety.

All wheels are precision-tailored to your vehicle in terms of load profile and dimensions.

Before your light-alloy wheels are allowed to accompany you safely on your travels, they are subjected to an extensive development and testing programme. Each wheel design has to pass a variety of endurance tests, based on exacting Mercedes-Benz guidelines which exceed all statutory requirements. These include special test routines which simulate real challenges on the road and material tests in cutting-edge x-ray facilities.

High-sheen wheels undergo additional tests such as exposure to highly corrosive salt spray or a 28-day variable climate programme. Only once all of the tests have been passed may the wheels be included in the range of genuine Mercedes-Benz light-alloy wheels. Add an individual touch to your vehicle with a tested and approved genuine Mercedes-Benz light-alloy wheel and head for the open road

Choose your favourite wheels online

Our Accessories Configurator shows you at a click of the mouse how the various Mercedes-Benz light-alloy wheels will look on your vehicle. Visit our website at www.mercedes-benz-accessories.com

* Not compatible with snow chains

01 Snow chain system

Easy-to-use hoop chain for rapid fitting and removal. Track pattern ensures good traction and high wear-resistance

02 Mud flaps

Protect the underbody and the sides of the vehicle from loose chippings and dirt. Available in pairs for front or rear axle. Black

03 Valve caps, black

Stylish highlights in a new design

Wheel bolts | not pictured

04 Rim locks

Protect your valuable light-alloy wheels from theft. Set consisting of coded key and one lock per wheel

05 Tyre pressure gauge

Allows you to carry out a quick tyre pressure check on the road or at home. Keeping tyres at the optimum pressure saves fuel and reduces tyre wear. Suitable for all motor vehicle tyre valves and for cycle valves. Supplied with leather pouch

Hub caps

Protect the hub from dirt.

Available in the following versions:

- 06 sterling silver with chrome star
- 07 titanium silver with chrome star
- 08 himalayas grey
- 09 classic roadster design in blue
- 10 classic roadster design in black
- 11 black with chrome star

Telematics

Multimedia
Navigation
Telephony

01 iPad Docking Station Plus
for rear compartment

Entertainment value

Whether you're driving along the motorway or heading off road, you can rely on the extensive range of genuine telephony, internet, navigation and entertainment accessories to keep you in the best of moods.

01 iPad® Docking Station Plus for rear compartment

The ergonomic, crashproof Docking Station introduces the iPad and all of its familiar functions to your Mercedes-Benz. All connections e.g. for your headphones, remain accessible. The mount can be tilted and rotated around 90°. An integral USB port means you can also charge your iPad's battery using your charging cable. Suitable for iPad, iPad 2 and iPad 3

iPad® Docking Station for rear compartment | not pictured
This mount for your iPad, iPad 2 or iPad 3 is simple to attach to the head restraint posts and can be removed at any time. The mount tilts and can be rotated around 90°. Openings at the side ensure that all of your iPad's connection points are still accessible

02 Rear Seat Entertainment System

This elegant DVD system allows the rear passengers to watch DVDs, look at their favourite pictures and even play video games on two superb 17.8 cm colour screens, without disturbing the driver or restricting the rear field of vision. Rear-seat passengers have the option of watching a different video source on each screen, allowing each to select their own individual entertainment. The AV-IN connection and USB and SD card interfaces allow other storage media to be used too.

Supplied with two sets of infrared headphones and remote control. A separately available video cable allows users to watch videos or view images from external sources

Suitable for retrofitting in vehicles with or without Code 866 (pre-installation for Rear Seat Entertainment System)

With a range of multimedia connections [A and B], 2 sets of infrared headphones [C] and a remote control [D], the Rear Seat Entertainment System offers everything you need for in-car entertainment

01 COMAND Online with 6-DVD changer

High-performance multimedia system with 6-DVD changer, hard-drive navigation system, telephone keypad and internet browser, shown on high-resolution, 17.8 cm colour display

- Navigation system with 2D/3D map views, Speed Limit Assist and automatic congestion avoidance (TMC Pro)
- Unrestricted internet access – when vehicle is stationary
- MUSIC REGISTER with 10 GB storage for diverse audio files (MP3, WMA, AAC), USB interface incl. CD cover display and AUX-IN connection (in centre armrest), Bluetooth® interface with hands-free function and audio streaming for music, SD card slot, DVD Video
- LINGUATRONIC voice-operated control system for audio, telephone and navigation
- Use of the new Mercedes-Benz apps for COMAND Online

News:	Access to news from around the world, in categories such as economy, politics and technology
Parking finder	Search for parking options near your current position or destination, with details of free parking, parking charges and opening hours
Morningstar finance:	Receive details of indexes and share prices from funds rating agency Morningstar*

Mercedes-Benz apps will shortly be available at www.apps.mercedes-benz.com for the following markets: Germany, Austria, Switzerland, France, Italy and the UK

Please ask your Mercedes-Benz partner whether your mobile is suitable for use with COMAND Online

The Mercedes-Benz Bluetooth (SAP) telephone module with integrated UMTS module and a direct connection to the vehicle aerial ensures that COMAND Online has a fast, stable and reliable internet connection (see pages 22/23)

*Please note that the market details are not delivered in real time

02 Europe navigation DVD for COMAND Online

Did you know that we update around 20 % of the information on our navigation CDs and DVDs every year? Changes include new roads and junctions, altered priorities, new points of interest such as filling stations and restaurants and additional countries, above all in Eastern Europe

For the latest navigation CDs/DVDs, visit our online shop at <http://shop.mercedes-benz.com>

03 SD memory card

The COMAND Online system in your vehicle features a slot for SD memory cards. You can listen to music directly from an SD memory card or upload it onto your COMAND system's hard drive

04 Becker® MAP PILOT

Transforms your Audio 20 radio into a high-performance navigation system with 3D map views. Becker® MAP PILOT uses the standard-fit 14.7 cm colour display and is conveniently operated via the vehicle controller and the Audio 20 keypad.

The plug-in navigation module can be connected to your PC via USB to get the latest updates or other useful downloads from the Becker® MAP PILOT website

Available in Europe only

01 Mercedes-Benz Bluetooth® (SAP*) telephone module**

The telephone module is designed to extend the mobile communication system in your Mercedes-Benz. Just connect it to your Convenience Telephony system (Code 386) in the centre armrest, and start using your mobile via the on-board hands-free system. Connection to the COMAND Online display makes operating your phone easy

Other advantages:

- Optimised reception of voice and data signals as a result of using vehicle's external aerial
- Use as data modem and SIM card phone (e. g. Apple iPhone®)
- Receive and read text messages
- Charge mobile phone via USB interface
- Phone book automatically imported from mobile phone
- Module operated via head unit
- Compatible with a variety of phones with SAP profile (e. g. Nokia, BlackBerry)
- Supports new COMAND Online features (Mercedes-Benz apps)

* SAP (SIM Access Profile) allows the module to read your mobile phone's SIM card

** Available from 4th quarter of 2012

For further information about using the phone while in your vehicle, go to www.mercedes-benz.com/connect or contact your Mercedes-Benz partner

Experience a new dimension of web access, telephony and navigation support in your GLK – with the combination of the Mercedes-Benz Bluetooth (SAP) telephone module and the COMAND Online multimedia system. The telephone module with integrated UMTS module and a direct connection to the vehicle aerial ensures that COMAND Online has a fast, stable and reliable internet connection. You can use the phone and simultaneously use Mercedes-Benz apps via COMAND Online and have the system read SMS messages to you

Details about COMAND Online can be found on page 20

01 Drive Kit Plus for the iPhone**

Connects the iPhone 4 or 4S to your GLK. The new user interface, with its revolutionary graphic design, features transparent symbols, illuminated in red. The key content of your iPhone can be accessed while you're on the move using the Digital DriveStyle app, available free of charge via the Apple® iTunes® Store. Clearly visible on your COMAND Online or Audio 20 display, the app is extremely easy to use via the controller on the centre armrest.

The context-dependent display of menu content under the headings "Social", "Media" and "Places", a flat menu structure and the enlarged display of content on the screen in an appropriate format for in-car use all ensure that the desired functions are easy to access

The iPhone is connected and charged via an interface in the glove compartment

Functions of the Digital DriveStyle app:

- Advanced navigation solution from Garmin, with internet-based real-time traffic information, online point of interest searches and 3D map views
- Local point of interest search via Google and transfer of destination to navigation system
- Personalised internet radio by AUPEO! Personal Radio for an individual music programme
- Access to songs saved on your iPhone
- Socially interactive, with option, for example, of sharing current song choice on Facebook and Twitter
- Feeds and tweets from friends are read aloud**
- Intuitive Car Finder – automatically stores the vehicle's location

* Available from 1st quarter of 2013

** Languages: German, English, Italian, French

02 Mobile-phone holders

When it comes to selecting a mobile for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace our mobile-phone holders. It takes a matter of seconds and is as straightforward as inserting the mobile into the holder itself.

Changing your mobile and even alternating between different models of mobile no longer presents a problem. Telephone technology for enhanced convenience on board

Other advantages:

- Optimum reception quality as a result of using vehicle's external aerial
- Mobile's battery is charged
- Access to internal phone memory
- Convenient operation using multifunction steering wheel

Only in conjunction with Convenience Telephony (Code 386)

Holders are available for many current mobiles from:

Nokia: N8-00, 6303, 6303i classic, C5-00

Apple: iPhone 4S, iPhone 4, iPhone 3GS, iPhone 3G

BlackBerry: 9900 Bold, 9700 Bold, 9780 Bold,
9105 Pearl 3G, 8300, 8310, 8320 Curve

Sony Ericsson: K850i

For further information about using the phone while in your vehicle, go to www.mercedes-benz.com/connect or contact your Mercedes-Benz partner

Interior

Interior appointments

Child safety

01 Sports pedals in stainless steel

02 CLASSIC velour floor mats

03 Illuminated door sill panel

Luxury class

Everything's just fine. While your youngsters are safely protected in their Mercedes-Benz child seats, you can sit back, relax and savour the comfort offered by our range of genuine accessories for the interior.

01 Coat hanger

For uncreased clothes at the end of your journey – an elegant and practical chromed metal coat hanger. Easy to fit to the front head restraints

02 Seat covers

Easy-care polyester. Available in "Brighton" CLASSIC, black

Interior

Interior appointments

03 Illuminated door sill panels

A distinctive, eye-catching accessory, whether in daylight or at night – “Mercedes-Benz” lettering illuminated in brilliant blue, set in an elegant ground stainless steel panel

04 Sports pedals in stainless steel

A distinctive touch: elegant brushed stainless steel and non-slip studs signal sporting ambition

05 CLASSIC velour floor mats

Elegant, high-quality tufted velour mats, featuring metal badge with Mercedes-Benz lettering. Available in black and mocha brown

06 CLASSIC rep floor mats

Durable, extremely hardwearing needle felt mats, featuring metal badge with Mercedes-Benz lettering. Available in black and mocha brown

07 CLASSIC all-season floor mats

Robust, washable synthetic mats, made for heavy use. Curved line design. Distinctive Mercedes-Benz star logo. Available in black

Made to last

Floor mats from Mercedes-Benz offer quality you can rely on. Every floor mat has to earn its star logo before it is allowed to keep your vehicle clean and dry. The mats undergo the toughest endurance and scuffing tests and have to prove resistant to sunlight, dirt and weight loading, emerging with their outstanding quality undiminished.

Inside your vehicle you can check the quality of Mercedes-Benz floor mats for yourself. They are precision-tailored to the dimensions of the footwell, clip-fastened to the floor of the vehicle on both driver and front passenger sides to prevent slipping and absolutely dimensionally stable, thanks to their special layered format. Your floor mats are made to cope with any demand you place on them

Mercedes-Benz child safety

Mercedes-Benz child seats are available with automatic child seat recognition as an option. If your car also has automatic child seat recognition (Code U18), the front passenger airbag is automatically deactivated when a child seat with automatic child seat recognition is installed on the front passenger seat. All child seats are also suitable for use in vehicles without ISOFIX attachment points

Mercedes-Benz child seats are available in a “DaimlerSquare” or “Limited Black” design. The covers are washable and very hardwearing. Optional replacement headrest covers are available for the “DUO plus” and “KIDFIX” child seats in flannel grey and chilli red [pictures 04 and 05]

Interior

Child safety

01 “BABY-SAFE plus” child seat

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg)

02 “DUO plus” child seat

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable shoulder belt and ventilation channels. With automatic child seat recognition and ISOFIX attachment points. Adjustable tilt

03 “KIDFIX” child seat

Booster seat for optimum side-impact protection, with height-adjustable backrest. The “KIDFIX” seat is secured using the 3-point seat belt and ISOFIX attachment points. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12 (15 to 36 kg)

04–05 Headrest covers for child seats

Available for the “DUO plus” and “KIDFIX” child seats in flannel grey [picture 04] and chilli red [05]

Cargo & Care

Carrier systems

Load compartment accessories

- 01 Alustyle Easy-Fix II basic carrier bars for roof rails
- 02 New Alustyle ski and snowboard rack "Comfort"

A sense of space

The interior of your GLK is impressively spacious. With carrier systems and load compartment accessories from Mercedes-Benz, the GLK offers you even more functionality and flexibility – whether you're going about your daily routines or heading off on holiday.

01 03

02

01 Alustyle Easy-Fix II basic carrier bars for roof rails

Aluminium carrier bars, precision-tailored to the body of your Mercedes-Benz – the perfect basis for a range of Mercedes-Benz transport solutions: ski and snowboard rack, bicycle rack or roof boxes. Fitted in next to no time without the use of tools, thanks to new, innovative quick-release fasteners. Aerodynamic, noise-optimised Mercedes-Benz design. Crash-tested. Lockable

02 Transport and stowage bag for Alustyle basic carrier bars for roof rails

Robust bag, made from high-quality nylon fabric. Provides ideal protection for the basic carrier bars when stowing or transporting them

Cargo & Care

Carrier systems

Mercedes-Benz roof boxes

Aerodynamic design, tailored to your Mercedes-Benz. Extremely durable material. Designed for quick, optimised attachment to the basic carrier bars for the roof rails. Available with opening on both sides for particularly easy loading and unloading. Boxes lock on both sides

03 Mercedes-Benz roof box 330

Sports box. Capacity approx. 330 litres. Available in matt silver and titanium metallic. Maximum payload of 50 kg. Please, however, bear in mind your vehicle's permissible roof load. Optional accessories: luggage set and ski rack insert

04 Mercedes-Benz roof box 450

Family box. Capacity approx. 450 litres. Available in matt silver and black metallic. Maximum payload of 75 kg. Please, however, bear in mind your vehicle's permissible roof load. Optional accessories: luggage set and ski rack insert

05 Luggage set for Mercedes-Benz roof boxes

Hardwearing, water-repellent polyester bags, designed to make perfect use of the space available in your roof box. All bags supplied with comfortable shoulder strap

Luggage set for Mercedes-Benz roof box 330

Set of four bags

Luggage set for Mercedes-Benz roof box 450

Set of four bags plus two ski bags, each for max. two pairs of skis*. Ski bag also available separately

06 Ski rack insert for Mercedes-Benz roof boxes

Insert for securing your skis – precision-tailored to the internal dimensions of the roof box

Ski rack insert for Mercedes-Benz roof box 330

A secure hold for up to three pairs of skis*

Ski rack insert for Mercedes-Benz roof box 450

A secure hold for up to five pairs of skis*

* Subject to geometry of skis

01 New Alustyle ski and snowboard rack "Standard"

For up to 4 pairs of skis* or 2 snowboards. Lockable

02 New Alustyle ski and snowboard rack "Comfort"

For up to 6 pairs of skis* or 4 snowboards. Lockable.

Practical pull-out function makes loading and unloading easier

* Subject to geometry of skis

01

02

02

03 New Alustyle bicycle rack

Extremely lightweight bicycle rack, designed to be attached to the basic carrier bars for roof rails. Cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted. Support frame folds down when not in use to reduce drag when travelling without cycles. Suitable for cycles with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes). Up to 4 bicycle racks can be fitted to your basic carrier bars. Please, however, bear in mind your vehicle's permissible roof load

04 Coil lock

Available as a separate accessory for the bicycle rack

01

01 Rear-mounted bicycle rack for trailer coupling, folding

Easy-to-use, lockable rear-mounted bicycle rack, designed to provide secure transport for 2 or 3 cycles. Rack is easy to attach to trailer coupling, and cycles are equally easy to fit to rack.

Maximum payload of up to 30 kg per rail, making it suitable for most e-bikes. An ingenious roller mechanism means that the load compartment can still be opened. The rack is easy to fold for space-saving stowage in the load compartment, at your holiday accommodation or at home

01

01

01

02 Snap-in module for load compartment

Partition your load compartment to suit your requirements and prevent the contents from sliding around. The brackets can be freely positioned along the outer edges of the load floor. The system's telescopic frame provides a secure hold

Factory-fitted pre-installation (Code 942) not required

03 Trailer coupling

Detachable. High-quality corrosion-protected finish. With integral socket for the electrical systems of rear-mounted carriers or trailers. Max. drawbar load 110 kg

04 Adapter

For trailer with 7-pin plug

Cargo & Care

Carrier systems
Load compartment
accessories

01

01 Shallow boot tub

Made from impact-resistant, non-slip polypropylene. Suitable for transporting foodstuffs. Ribbed structure holds separately available stowage crate in place

02

02 Deep boot tub

Deep tub made from flexible, impact-resistant HD-PE. Suitable for transporting foodstuffs

03 Reversible mat

With one high-quality velour side and one non-slip side

04 Luggage nets

Available for the floor of the load compartment, the rear bench seat and the load sill. Prevent lightweight objects from sliding around during your journey. All nets are in pocket format

05 Partition/divider

Robust metal grilles, designed to shield the passenger compartment from items in the load area. Simple to fit to designated points on board. Partition and divider available separately. Divider can only be used in conjunction with partition

Cargo & Care

Load compartment
accessories

01 Storage crate

A secure hold for items which are prone to tip over or slide around, e. g. shopping bags.

Adjustable partitioning elements allow crate to be divided into max. four sections. Optimum functionality only in conjunction with shallow boot tub

02 Tie-down strap

Adjustable strap with ratchet fastener – ideal for securing items to the load-securing rings

03 Shopping crate

Anthracite. Collapsible

Cargo & Care

Load compartment
accessories

04 Coolbox

Not only cools but warms too. Cools to up to 20°C below ambient temperature – to max. -2°C. Can be switched to warming function. Robust, highly insulated hard case with fabric cover, outside pockets and padded shoulder strap. Capacity: 24 litres. Can be connected to 12 V socket in vehicle or to 230 V power source via separately available rectifier

05 Rectifier

Allows the coolbox to be connected to a 230 V socket at home

06 Charger with trickle charge function

New life for your car's battery: checks, charges and revives your battery – even if it's totally flat. Tailored to your vehicle's complex electronic systems. Available in 3.6 A and 25 A version

07 Vehicle tool kit

Everything you need to change a wheel – from the wheel wrench to a pair of gloves. All handily stored in compact bag

08 Fluorescent jacket

Already compulsory in many countries: fluorescent jackets with high-visibility reflex stripes. Available individually or as a pack of two

Mercedes through and through

When you drive a Mercedes-Benz, you do so for the best of reasons. Why should your choice of accessories be governed by different standards? Pioneering when it comes to design and technology, Mercedes-Benz genuine accessories deliver on the promises of a major brand.

I. Design & Development

Mercedes-Benz genuine accessories make your dream car a reality – while ensuring that it remains a Mercedes-Benz through and through:

- Individualisation options are developed in accordance with the Mercedes-Benz car design philosophy
- The use of CAD data from Mercedes-Benz Vehicle Development ensures precision-fit accessories

II. Quality & Safety

When it comes to Mercedes-Benz vehicles, quality and safety are paramount. You can feel equally safe with Mercedes-Benz genuine accessories as a result of:

- Stringent safety measures and extensive load testing, including the use of crash test facilities and the wind tunnel
- Harmonised development of both vehicle and Mercedes-Benz genuine accessories
- The highest of standards, far in excess of those prescribed by law

III. Function & Operation

Mercedes-Benz genuine accessories form part of the vehicle concept from the outset. This results in impressive functional solutions:

- Fully integrated telematics products can be operated safely and conveniently using the multifunction steering wheel
- Roof-mounted carrier systems can be fitted quickly and without the use of additional tools
- Instructions and manuals are in standard format and easy to understand

IV. Advice & Fitting

No one is as familiar with the ins and outs of your vehicle as our employees. And the same goes for Mercedes-Benz genuine accessories:

- Contact your Mercedes-Benz Service and Sales partners for expert advice
- Trust our trained specialists when it comes to fitting Mercedes-Benz genuine accessories

Genuine accessories for the GLK-Class

Light-alloy wheels are supplied without tyres, wheel bolts or hub caps

Further colour variants for individual products can be found in the separate price list for this brochure

Information about fuel consumption and CO₂ emissions

Fuel consumption¹ (l/100 km)

combined **8.6 – 5.5**

CO₂ emissions¹ (g/km)

combined **199 – 143**

Efficiency rating

D – A

¹The figures shown were obtained in accordance with the prescribed measuring process (Directive 80/1268/EEC in the currently applicable version). The figures are not based on an individual vehicle and do not constitute part of the product offer; they are provided solely for purposes of comparison between different vehicle models

More information on the official fuel consumption figures and the official specific CO₂ emissions for new passenger cars is provided in the publication "Leitfaden über den Kraftstoffverbrauch und die CO₂-Emissionen neuer Personenkraftwagen" ["Guidelines on fuel consumption and CO₂ emissions for new passenger cars"], which is available free of charge from all sales outlets and from Deutsche Automobil Treuhand GmbH

Please note: changes may have been made to the products since this brochure went to press (30.05.2012). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others. For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest authorised Mercedes-Benz Passenger Car Dealer.
